

Expression of Wish for payment of a Death Grant

As a member of the Local Government Pension Scheme any death grant that may become payable from the Scheme can be made to, or for the benefit of, your nominee or personal representatives.

Under scheme regulations you are able to state who you would like to receive this benefit in the event of your death. The Administering Authority has absolute discretion when making payment of the death grant and will want to honour your wishes so always consider those who will and those who will not benefit.

Why should I complete an Expression of Wish form?

Whilst there is no requirement for you to complete an expression of wish form, there are two main reasons why doing so would be advantageous:

- 1) If you do not complete an expression of wish form, any death grant that may become payable will be paid to your legal beneficiary.

Whilst this may be the same person or persons that you wish to receive your death grant, payments made in this way may be subject to inheritance tax where the total value of your estate exceeds the appropriate level. Simply by completing an expression of wish form and declaring your chosen beneficiaries, the death grant can be paid immediately to your beneficiaries without being subject to inheritance tax.

- 2) In the event of your death without an expression of wish form having been completed, we may require further documentation from your next of kin, or other representative, that may delay the payment of a death grant or involve the services of a solicitor. By completing an expression of wish form the administering authority should be able to make payment quickly and at its discretion.

Who can I nominate?

You can choose one person, a number of people or even an organisation such as a charity. You can choose your husband, wife or partner, your children, any other family member or a friend.

Can I change my Expression of Wish at any time?

Yes you can. You can even cancel your expression of wish. You need to consider amending your form if:

- your circumstances change;
- you become divorced or dissolve a civil partnership;
- the person you have chosen dies;
- it becomes impractical to make payment to your chosen beneficiary (such as a charity that no longer exists)

How is a Death Grant calculated?

A summary of the amounts payable as a death grant are detailed below:

If you are an active member - the value of the death grant is **three times** your annual assumed pensionable salary at your date of death.

If you ceased LGPS membership after 1 April 2008 - the death grant payable is five times the value of your deferred annual pension at your date of death.

If you left employment before 1 April 2008 - The death grant payable is the value of your retirement grant at your date of death.

Death following retirement - If you retired after 1 April 2008 a death grant is payable if you die within 10 years of your retirement date up to the age of 75. The value of the death grant is dependant on whether you retired from the LGPS before or after 1 April 2014. Therefore please contact the Berkshire Pensions team to find out how this may apply to you.

You may cancel your expression of wish or make a new expression of wish at any time. Account will be taken of your wishes expressed in the notice bearing the latest date.
